Community Information & Support Victoria

2015-2016 Finance Report

...helping local communities help local people

About us

Community Information & Support Victoria (CISVic) is the peak body representing local community information and support services.

Our local services assist people experiencing personal and financial difficulties by providing information, referral and support services including Emergency Relief.

We direct people who need help to local centres for services.

We liaise with local, state and federal governments on behalf of local centres for funding and support.

We undertake research and training.

CISVic and its members are committed to volunteering and offer a range of opportunities for people to work with us.

And we seek and arrange funding from philanthropic organisations and private donors.

Treasurer's report

I am very pleased to present the Treasurer's Report for the 2016 financial year. 2016 has been an interesting year in Victoria as the economy rebases toward the services sector and promotion of innovation and productivity.

This transition, together with continuously increasing house prices and general living costs and the arrival of refugees has ensured the ongoing high demand for the services and assistance that CISVIC's member agencies provide. This year marks the first full 12 month period that CISVIC has delivered emergency relief services in Victoria on behalf of the DSS. This consortia arrangement has provided CISVIC with a new source of funds which has enabled us to enhance the capability of our management team and provide a broader service to our

members. Having said that, the board is mindful of the importance of robustly managing the emergency relief funding provided to us, being transparent with the consortia members and satisfying our accountabilities to the DSS.

In managing CISVIC's financial arrangements, the Board focuses on balancing the immediate needs of our member agencies and the development of the CISVIC team with the ongoing financial stability of CISVIC. A recent example of this is the sale of CISVIC's former office which has released significant funds enabling CISVIC to be far more financially flexible such that we are able to respond quickly where urgent needs arise and focus the Board and management's attention on the community.

For the financial year ended 30 June 2016, CISVIC generated a surplus of \$12,489 (2015: \$989 deficit) and incurred cash outflow from operations of \$84,634 (2015: \$25,921 inflow). CISVIC's financial position remained stable during the year, with net assets at the end of the year of \$384,706 (2015: \$372,217). We have continued to utilise surplus cash when it was available to offset the mortgage account or for short term investments. As I noted above, after year-end, CISVIC sold its property. Funds from this will be placed into low risk, liquid investments. Earnings from these investments will be used to offset rental costs of the current office and for other projects that the Board will consider as they arise. Similar to prior years, CISVIC has received cash in advance of delivering the related services which will occur in the 2016 financial year.

The Board will continue to utilise CISVIC's accumulated surplus for the benefit of member agencies and to ensure the ongoing viability of CISVIC throughout the economic cycle. CISVIC is in a secure financial position, however as always, remains dependent on funding that it primarily sourced from state and federal government funding.

I would like to acknowledge the tireless efforts of the CISVIC management team to continually deliver CISVIC's services at the high levels our members expect while also managing costs and pursuing funding opportunities.

James Dent

Community Information & Support Victoria Incorporated Reg No. A0002124L Notes to the Financial Statements For the Year ended 30 June 2016

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

These financial statements are special purpose financial statements prepared in order to satisfy the financial reporting requirements of the *Associations Incorporation Reform Act* (Vic) 2012. The Board has determined that the Association is not a reporting entity.

The financial statements have been prepared on an accruals basis and are based on historic costs and do not take into account changing money values or, except where stated specifically, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless stated otherwise, have been adopted in the preparation of this financial report.

(a) Income Tax

The organisation is a non-profit organisation and is not subject to income tax.

(b) Fixed Assets

Each class of fixed assets is carried at cost less, where applicable, any accumulated depreciation.

The depreciable amount of all fixed assets is depreciated on a straight line or a diminishing value basis over the useful lives of the assets to the association commencing from the time the asset is held ready for use.

The office property purchased in the 2009 financial year has not been depreciated as the value of the property is not expected to diminish over the long term. Property improvements have been depreciated.

(c) Impairment of Assets

At the end of each reporting period, the Board reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the assets, being the higher of the asset's fair value less costs to sell and value in use, to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised in the income and expenditure statement.

(d) Employee Provisions

Provision is made for the association's employee entitlements arising from services rendered by employees to balance date, being annual leave and long service leave. The provision is determined in accordance with individual employment.

Long service leave is provided for employees with one or more years of service.

(e) Cash

For the purposes of the Statement of Cash Flows, cash includes petty cash and bank/investment accounts held with Financial Institutions that generally have terms up to 3 months and are readily available for withdrawal.

Community Information & Support Victoria Incorporated Reg No. A0002124L Notes to the Financial Statements For the Year ended 30 June 2016

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

(f) Revenue recognition

Grants and goods received in kind.

Community Information & Support Victoria Incorporated is a non-profit association and receives the majority of its funds from grants and goods in kind.

Grants received, under a contractual arrangement, to be spent on specific purposes, are carried forward as a liability where the monies have not been spent on the agreed purpose.

For the year ended 30 June 2016, goods received in kind comprised of Telstra vouchers and phone cards with a face value of \$267,500. Similar to the previous year (30 June 2015: \$175,000), the Telstra vouchers and phone cards have not been recorded as revenue nor fully expensed in the period the goods were received.

(g) DSS Funding

Community Information & Support Victoria Incorporated is the head of a consortium of member agencies that provide emergency relief services in various regions throughout Victoria. As the head of the consortium, Community Information & Support Victoria Incorporated receives funding from the Federal Department of Social Services (DSS) that is then distributed to the member agencies based on principles included in the terms of the consortium. A component of this funding is retained by Community Information & Support Victoria Incorporated to fund the administration of the consortium. Funds received from DSS are initially recorded as deferred income until they are distributed to the member agencies, at which point they are recognised as income. A corresponding expense is recorded in the amount of funds distributed to member agencies.

No additional repayments were made during the current year (30 June 2015 Nil). \$25,000 was redrawn during the financial year.

NOTE 6:

The property of the Association located at Suite 209, Level 2, 343 Little Collins Street was sold in July 2016.

The Notes to the Accounts should be read in conjunction with the attached Independent Audit Report.

Community Information & Support Victoria Incorporated Reg No. A0002124L Independent Audit Report to the Members of Community Information & Support Victoria Incorporated

We have audited the accompanying financial report, being a special purpose financial report, of Community Information & Support Victoria Incorporated (the association), which comprises the assets and liabilities statement as at 30 June 2016, the income and expenditure statement for the year then ended, statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the certification by members of the Board on the annual statements giving a true and fair view of the financial position and performance of the association.

Board's Responsibility for the Financial Report

The Board of Community Information & Support Victoria Incorporated is responsible for the preparation and fair presentation of the financial report, and has determined that the basis of preparation described in Note 1 is appropriate to meet the requirements of the *Associations Incorporation Reform Act 2012* and is appropriate to meet the needs of the members. The Board's responsibility also includes such internal control as the Board determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We have conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the association's preparation and fair presentation of the financial report, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Board, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Community Information & Support Victoria Incorporated

Independent Audit Report to the Members of Community Information & Support Victoria Incorporated

Opinion

In our opinion, the financial report presents fairly, in all material respects, the financial position of Community Information & Support Victoria Incorporated as at 30 June 2016 and its financial performance for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements, and the requirements of the Associations Incorporation Reform Act 2012.

Basis of Accounting and Restriction on Distribution

Without modifying our opinion, we draw attention to Note 1 to the financial statements, which describes the basis of accounting. The financial report has been prepared to assist Community Information & Support Victoria Incorporated to meet the requirements of the Associations Incorporation Reform Act 2012. As a result, the financial report may not be suitable for another purpose.
