

BACK TO SCHOOL PROGRAMS CISVIC ROUNDTALBE DISCUSSIONS

Have you seen an increase in the number of people needing assistance with back to school costs?

Do you deliver a back to school program or are you interested in learning more so that you can develop one?

Well good news, the first CISVic Roundtable for 2018 will focus on education costs and back to school support programs!

This will be an opportunity for member agencies to share how they are helping families and young people with the ever-increasing costs of education and to learn from each other.

We will also hear from:

- Charlotte Newbold, VCOSS - Education Equity Coalition
- Kerri Wellington, Diamond Valley Community Support - Back to school program evaluation
- Sharon Sartori, State School Relief - Support families to access State School Relief
- Anne Coughlin, Community Information & Support Glen Eira - Working collaboratively with schools
